

Empowering communities to be healthy and free of TB and HIV

Group discussion

1. Spaces for engagement

- a. List specific spaces of previous engagement
- b. How did each of these opportunities come about?
- c. Who initiated this opportunity, and how did it influence the outcome(s) of the engagement

2. Lessons from dialogue & interactions

- a. How did the event make you feel
- b. What positive outcomes were there
- c. What negative outcomes were there
- d. What helped make the engagement successful (specific examples)
- e. What made the engagement challenging/ unsuccessful (specific examples) and why
- f. How could dialogues and interactions between police and KP organisations improve?

3. Building relationships

- a. What Top-Down processes did you use to establish and strengthen relationships? How were these used?
- b. What Bottom-Up processes did you use to establish and strengthen relationships? How were these used?
- c. What strategies could be used to establish and strengthen relationships between key populations, organisations working with key populations and law enforcement
